

Collection Strategies & Keyword Search Negotiations Result In 25% Less Review Volume

Matter Summary

This was a large dispute that involved a keyword search for a substantial number of documents. The revised search created and the assistance provided in the negotiations resulted in a cost savings and fewer documents required for review.

Client Challenge

Consilio’s client needed assistance with an Early Case Assessment on a large dispute involving a substantial number of documents. Keyword lists suggested by opposing counsel contained unnecessarily inclusive keywords and resulted in a significant number of false-positives.

Consilio Response

Consilio experts created revised keyword search and custodian collection strategies, as well as assisted in negotiations with opposing counsel regarding the plan and strategy.
